ASHRAE Windsor Chapter December 2015 Meeting

CHRISTMAS SOCIAL - WINEOLOGY

Not all ASHRAE events are technical! The Windsor Chapter of ASHRAE is pleased to invite you to our December Christmas Social.

Wineology is an upscale lounge specializing in an array of sommelier wine flights from local wineries and vineyards all over the world. Food is available for pairings with wine to provide a diverse experience.

As it is a social event spouses are encouraged to attend. With a variety of wood-fired pizzas, appetizers and a comfortable atmosphere, the Christmas Social will not be an event to miss.

Date: **Tuesday, December 15, 2015**
5:30 PM - Eastern Time

Location: **Wineology Bar & Restaurant**
1646 Wyandotte Street East
Windsor, Ontario

ASHRAE Windsor Chapter Members: **\$35**
ASHRAE Windsor Chapter Members plus Guest: **\$70**
Guests: **\$40**

A cash bar is available at the venue. Parking can be found on the street and in a public lot directly across the street (limited availability).

Please RSVP via email by Thursday December 10th at 12:00 PM to Paul Greff.

November 2015 Meeting Recap

Last month's meeting took the chapter on a tour of the Powerhouse at Hiram Walkers. Led by Mario Desjardins, the Power Plant Manager, tour attendees had the opportunity to get an inside look at the equipment and many processes that drive the facility. Thank you again to Mr. Desjardins and the accommodating staff at Hiram Walkers for providing a very unique and exciting experience!

After the tour, the group convened at Vito's Pizzeria to enjoy an excellent dinner and good fellowship. Thanks goes to Mr. Dave Faris of Smith Energy Inc. for providing an excellent Table Top Display.

Overall, the evening was a great success! Thank you to everyone who participated and for supporting the ASHRAE Windsor Chapter.

Advertising and Promotion

Actively participating in ASHRAE events is a great way to network and discuss potential projects and applications. Chapter meetings provide a captive audience and exposure to a group actively involved in our industry. Promotion opportunities are available during our chapter meetings and through the monthly newsletter.

TABLE TOP DISPLAY

What better way to display a new product, existing line, or share great ideas than to have a table top display at our monthly chapter meetings?

The fee to provide a Table Top Display is \$200.00 (CAD). In addition to the presentation, the fee also covers the cost of the presenter's meal at the event. If interested in providing a Table Top Display at a future meeting to promote product lines or technologies, please contact Paul Greff to schedule.

(519) 980-6542

BUSINESS CARD PROMOTION

The monthly newsletter is distributed to all of our ASHRAE Windsor members as well as several others that are involved in our industry. Inclusion of your business card in the newsletter would provide a great opportunity to introduce your name and company to those members who may not know you personally.

The fee to include your business card in the newsletter is \$100.00 (CAD) for the year. If interested in having your business card information included in the monthly newsletter, please contact Paul Greff.

Education and Training Opportunities

HVAC DESIGN TRAINING - LEVEL I - ESSENTIALS

HALIFAX HVAC DESIGN TRAINING 2016

MAY 9-11

It is understood that scheduling time away from work and home life for training can be difficult. In terms of getting a large amount of training content in a relatively short period of time, the ASHRAE HVAC Design training courses certainly provide a great option.

ASHRAE's HVAC Design: Level I - Essentials training provides participants with instruction that accelerates their transformation into effective members of a design, construction or facilities maintenance team. Developed by industry-leading professionals selected by ASHRAE, the training provides attendees with the fundamentals and technical aspects of HVAC design. Attendees will gain practical skills and knowledge to design and maintain HVAC systems that can be put to immediate use.

Registration Fees

(Register 30 days prior to training date, for Early Bird pricing)

Level I - Essentials	Mbr	Non-Mbr	Group 3+
Early Bird	\$959	\$1,214	
Standard	\$1009	\$1,264	\$909

Fees shown in US Dollars

More information, including course outlines, can be found on the ASHRAE website:

<https://www.ashrae.org/education--certification/hvac-design-training>

This course is a prerequisite to the more advanced course, HVAC Design Training - Level II - Applications. Check out the website for details on both courses to discover how you can further progress your career!
