May 3, 1993

ASHRAE Windsor Chapter
1216 Coventry Court
Windsor, On

Dear Past President:

This year completes the first decade of continuous and successful activities and programs under the direction of Atlanta and your capable leadership.

To commemorate and recognize your contribution to this success, the May 18, 1993 meeting will include a special presentation by our Historian, Mr. Frank Pelisek.

On behalf of the Board of Governors, we are taking this special occasion to invite you to be present and recognized for your contributions to the success of our Chapter.

Needless to say all Past Presidents are being invited, and collectively you can pelt the Historian as you see fit for any errors or omissions.

Your attendance will mark the decade, and we look forward to seeing you on the 18th.

Your Truly,

Don Winkup
Program Chairman
