WELCOME TO WINDSOR

Dear ASHRAE Friends,

On behalf of Region 2 and the Windsor Chapter, it is our pleasure to welcome all conference attendees to beautiful Windsor. For those of you who are first time attendees to this conference, a special welcome to you, and we hope you will enjoy your time. For the returning attendees, we look forward to continuing our past conversations and sharing your valuable experiences with us. Your presence is an indication that you are committed to making a positive difference in ASHRAE, not only for your own Chapter, but throughout our organization.

We are honoured to host this years CRC and there will be many opportunities for professional networking throughout the conference. Our Planning Committee has been hard at work to help actively engage all participants and developed an interactive Welcome Party on Friday night with a prime-time show featuring Comedian Ron White to kick off the conference.

We are excited to join together over the following few days for inspiring talks, stimulating conversations all for the betterment of ASHRAE. We also look forward to the wonderful food in the beautiful meeting spaces provided by Caesars Windsor. Meetings such as this, have enabled all members to network with ASHRAE Staff and Executives, our Regions DRC and members from across our region and the Information we can gather will allow us to go back to our chapters and prepare for things that are up coming to better position our chapters to address the challenges we all seem to face.

Enjoy our conference, enjoy Windsor and if there is anything we can do for you, please do not hesitate to contact any one of our committee members.

Please gamble and drink responsively.

We thank you for your participation and look forward to seeing you in Windsor.

Sincerely,

James Smith
Region 2 CRC Chair 2018
