July 19, 2016

Greetings ASHRAE Windsor,

A new year is now upon us with lots happening for the upcoming year. I want to take a moment and share some of the latest ASHRAE news with you and keep you informed and intrigued about the year to come.

First of all, I would like to introduce myself. My name is Paul Greff and I am serving as your local Windsor Chapter President until June 30, 2018. I am excited to represent you and hope to have many responsive conversations with everyone in the next few months.

I would like to thank last year's President Andy Hrutka, the Executive and BOG team for a great year. We had a successful year with nine new Members joining the chapter. Our PAOE points total was fourth in the region in a very close race. We lead for most of the year.

The Windsor ASHRAE Website is up and running under the watchful eye of our President-Elect and webpage editor Nathan Cook. Please take a moment to review the website periodically to see information on upcoming meetings. Also, the History section is full of interesting information thanks to our Historian Gord Snell. www.windsorashrae.com

This year's Golf Tournament is scheduled for September 12, 2016 at Pointe West Golf Club. This is the 25th Annual Golf Tournament. Please see the attached flyer and Registration. We are also looking for donated door prizes and hole sponsors! We already have 19 confirmed foursomes.

Some of our goals this year are to reach out to the students in our community, increase participating memberships and advance human well-being through sharing sustainable technological advancements for the built environment.

Yours truly,

A handwritten signature in black ink, appearing to read "PGreff", written over a light blue horizontal line.

Paul Greff

President

ASHRAE Windsor Chapter 141

ASHRAE Conferences

REGION II CHAPTERS REGIONAL CONFERENCES (CRC) 2016

MONCTON, NB
AUGUST 26-28, 2016

The ASHRAE Region II CRC 2016 is quickly approaching! It will be hosted by the New Brunswick (NB) and Prince Edward Island (PEI) Chapters from August 26 through 28, 2016.

CRCs are held annually to bring representatives from each Chapter together to discuss Chapter operations and provide an opportunity to meet fellow ASHRAE members from other Chapters.

Plans are currently underway, with several social events planned for both members and companions. One such event is a boat cruise on Shediac Bay, where participants will have the opportunity to hoist a lobster trap from the water and enjoy a lobster feast! Many other social events in addition to the scheduled meetings will be available for conference participants.

Several Chair Committee and Board of Governors members will be in attendance to develop their knowledge and skills such that they can be applied to assist our local chapter. Feel free to locate these members during future meetings to discuss their experiences at the CRC.

Additional details for the upcoming Region II CRC can be found on the ASHRAE Region II website below.

Advertising and Promotion

Actively participating in ASHRAE events is a great way to network and discuss potential projects and applications. Chapter meetings provide a captive audience and exposure to a group actively involved in our industry. Promotion opportunities are available during our chapter meetings, through the monthly newsletter and the new website.

TABLE TOP DISPLAY

What better way to display a new product, existing line, or share great ideas than to have a table top display at our monthly chapter meetings?

The fee to provide a Table Top Display is \$200.00 (CAD). In addition to the presentation, the fee also covers the cost of the presenter's meal at the event. If interested in providing a Table Top Display at a future meeting to promote product lines or technologies, please contact Paul Greff to schedule.

pgreff@vollmer.ca
(519) 966-6100

BUSINESS CARD PROMOTION

The monthly newsletter is distributed to all of our ASHRAE Windsor members as well as several others that are involved in our industry. Inclusion of your business card in the newsletter would provide a great opportunity to introduce your name and company to those members who may not know you personally. Business cards may also be displayed on the new website.

The fee to include your business card in the newsletter is \$100.00 (CAD) for the year ending June 30, 2017. If interested in having your business card information included in the monthly newsletter, please contact Paul Greff.

ASHRAE Chapter Involvement

It is a welcome site to see Chapter members and non-member guests alike attend the monthly meetings and events. The time and effort put fourth by all individuals to attend these events is greatly appreciated as it helps strengthen and develop our Chapter as a whole.

As it takes time and effort to attend these meetings, it also takes a great deal of time, effort and dedication to organize and prepare for these events such that they are informative and enjoyable for everyone.

As mentioned in the letter from our Chapter President, it is a goal of the Chapter to increase the number of participating members. Involvement in Chapter operations is not limited to the Board of Governor and Chapter Committee positions. All individuals interested in getting involved with ASHRAE at any level are encouraged to volunteer in any capacity they are willing and able to. Any efforts to help the Chapter continue to develop and improve would be greatly appreciated.

If anyone is interested in volunteering for general involvement or have a specific task in mind, please contact Paul Greff.
