April YEA Event!!

Everyone had a great time at Silver Tee!

Keep on the lookout for future events!!

Windsor Regional Science Technology Engineering Fair

A huge thanks to Dan Castellan, Jamie Smith and Florin Corcoz who assisted in Judging the projects at the Windsor Regional Science Technology Engineering Fair this year!

The regional science fair was open to all students in the Windsor and Essex County area. ASHRAE Windsor chapter participated as a sponsor helping science student experience engineering at CAW Student Centre on Saturday, March 30, 2019. Students were invited by the WRSTEF to participate and learn about the science field.

We were able to evaluate exciting bilingual projects and innovations related with energy conservation. Medals and a prize were presented to the best Novice, Junior, Intermediate and Senior projects related to conservation of energy. The event was very encouraging for children and everyone that showed up had a great time!

ASHRAE Global Giveback – April 21 – 28, 2019

This year, members of the Windsor Chapter volunteered at our local Ronald McDonald House located on the 3rd floor at Windsor Regional Hospital – Metropolitan Campus.

A huge thank you to Amanda Smith, Andy Hrutka, Nathan Cook and Dan Castellan for helping out a fantastic charity! Thanks to JASEL Engineering for sponsoring the Food.

Advertising and Promotion

Actively participating in ASHRAE events is a great way to network and discuss potential projects and applications. Chapter meetings provide a captive audience and exposure to a group actively involved in our industry. Promotion opportunities are available during our chapter meetings, through the monthly newsletter and the new website.

TABLE TOP DISPLAY

What better way to display a new product, existing line, or share great ideas than to have a table top display at our monthly chapter meetings?

The fee to provide a Table Top Display is \$200.00 (CAD). In addition to the presentation, the fee also covers the cost of the presenter's meal at the event. If interested in providing a Table Top Display at a future meeting to promote product lines or technologies, please contact Nathan Cook to schedule.

BUSINESS CARD PROMOTION

The monthly newsletter is distributed to all of our ASHRAE Windsor members as well as several others that are involved in our industry. Inclusion of your business card in the newsletter would provide a great opportunity to introduce your name and company to those members who may not know you personally. Business cards may also be displayed on the new website.

The fee to include your business card in the newsletter is \$100.00 (CAD) for the year ending June 30, 2017. If interested in having your business card information included in the monthly newsletter, please contact Nathan Cook.

ASHRAE Chapter Involvement

It is a welcome sight to see Chapter members and non-member guests alike attend the monthly meetings and events. The time and effort put forth by all individuals to attend these events is greatly appreciated as it not only helps to strengthen and develop our Chapter as a whole, it also expands the knowledge and understanding of our industry.

As it takes time and effort to attend these meetings, it also takes a great deal of time, effort and dedication to organize and prepare for these events so that they are informative and enjoyable for everyone.

It is a goal of the Windsor Chapter to increase the number of participating members. Involvement in Chapter operations is not limited to the Board of Governor and Chapter Committee positions. All individuals interested in getting involved with ASHRAE at any level are encouraged to volunteer in any capacity they are willing and able to. Any efforts to help the Windsor Chapter continue to develop and improve would be greatly appreciated.

If anyone is interested in volunteering for general involvement or to assist with any specific task, please contact Nathan Cook.
