ASHRAE WINDSOR MEETINGS 2022-2023

We are happy to announce the Windsor Chapter will be hosting In-Person meetings for the 2022-2023 Year. We look forward to seeing everyone again and having a successful year! *Don't forget to attend the meetings to get Professional Development Credits!*

NOVEMBER MEETING

Facility Tour: University of Windsor Toldo Lancer Centre

Our November meeting of the year will be a facility tour hosted on **Tuesday, November 22, 2022** at the University of Windsor's new [Toldo Lancer Center](#). The tour will begin at 5:30 PM and attendees are to meet at the southeast entrance of the building. Parking is available at the University of Windsor Parking Garage on Sunset Avenue. A chicken & rib dinner will be catered by **Tommy's Bar-B-Q** following the completion of the tour at approximately 6:15 PM. Please register through Simple Sign-Up Link below. Deadline to register is Sunday, November 20, 2022.

OCTOBER MEETING RECAP – INTRODUCTION TO DECARBONIZATION

Our first dinner meeting of the year took place on Tuesday, October 25 at the Bistro at the River. Distinguished Lecturer Doug Cochrane, P. Eng. presented on an “Introduction to Decarbonization.” Mr. Cochrane discussed ASHRAE’s ongoing initiative to accelerate the mitigation of carbon resulting from energy usage in the built environment, and described the decreases in CO₂ production in Canada that have already been accomplished while outlining the necessary progress that will be needed in years to come to achieve the nation’s carbon reduction goals. Also discussed were potential carbon reduction strategies that can be incorporated into the design of new and existing buildings, and the relevant ASHARE standards on decarbonization.

Mr. Cochrane also made time to present on decarbonization at the University of Windsor Ed Lumley Centre for Engineering Innovation Building to graduate and undergraduate members of the ASHRAE Student Branch on-campus, and answered questions for the students in attendance.

The ASHRAE Windsor Chapter wishes to extend our thanks to Doug for the generous use of his time in support of our Chapter. We hope to have him return soon.

MEETINGS AND EVENTS FROM 2022-2023:

Sept. 12, 2022	Golf Tournament	Jan. 17, 2023	Research Promotion Night
Oct. 25, 2022	DL: Doug Cochrane	Feb. 28, 2023	Distinguished Lecturer

<i>Refrigeration Chair</i>	Jon Palmer	(519) 256-7922			

Advertising and Promotion

Actively participating in ASHRAE events is a great way to network and discuss potential projects and applications. Chapter meetings provide a captive audience and exposure to a group actively involved in our industry. Promotion opportunities are available during our chapter meetings, through the monthly newsletter and the new website.

TABLE TOP DISPLAY

What better way to display a new product, existing line, or share great ideas than to have a table top display at our monthly chapter meetings?

The fee to provide a Table Top Display is \$200.00 (CAD). In addition to the presentation, the fee also covers the cost of the presenter's meal at the event. If interested in providing a Table Top Display at a future meeting to promote product lines or technologies, please contact Jamie Smith to schedule.

BUSINESS CARD PROMOTION

The monthly newsletter is distributed to all of our ASHRAE Windsor members as well as several others that are involved in our industry. Inclusion of your business card in the newsletter would provide a great opportunity to introduce your name and company to those members who may not know you personally. Business cards may also be displayed on the new website.

The fee to include your business card in the newsletter is \$100.00 (CAD) for the year ending June 30, 2021. If interested in having your business card information included in the monthly newsletter, please contact Amanda Forest.

ASHRAE Chapter Involvement

It is a welcome sight to see Chapter members and non-member guests alike attend the monthly meetings and events. The time and effort put forth by all individuals to attend these events is greatly appreciated as it not only helps to strengthen and develop our Chapter as a whole, it also expands the knowledge and understanding of our industry.

As it takes time and effort to attend these meetings, it also takes a great deal of time, effort and dedication to organize and prepare for these events so that they are informative and enjoyable for everyone.

It is a goal of the Windsor Chapter to increase the number of participating members. Involvement in Chapter operations is not limited to the Board of Governor and Chapter Committee positions. All individuals interested in getting involved with ASHRAE at any level are encouraged to volunteer in any capacity they are willing and able to. Any efforts to help the Windsor Chapter continue to develop and improve would be greatly appreciated.

If anyone is interested in volunteering for general involvement or to assist with any specific task, please contact Amanda Forest.
