Sheet Metal and Air Conditioning Contractors’ National Association SMACNA

New changes to the 4th edition of the HVAC Duct Construction Standard

Presentation on the new changes to the 4th edition of the HVAC Duct Construction Standard by **Delaine A. Deer**, PMP, LEED AP, Technical Project Manager at SMACNA.

Delaine A. Deer, PMP, LEED AP, is the newest addition to SMACNA’s Technical Resources Department.

She comes to SMACNA National with more than 15 years of diverse construction experience that encompasses developing and administering quality assurance and control programs, operation and maintenance programs, and facility maintenance assessment programs for federal government agencies.

Her career experience also includes vice president of operations for a mechanical contractor in Chantilly, Virginia, and owner of B&W Mechanical Contractors Inc., in Charleston, S.C.

She is skilled in construction project management practices ranging from budget control, operations, scheduling, contract management, contract administration, and change orders.

Delaine holds two professional accreditations, a Project Management Professional (PMP) and a Leadership in Energy and Environmental Design (LEED) Accredited Professional.

Table Top Display

The October 23rd Meeting Table Top Display will be provided by E.H. Price.

The cornerstone of success for E.H. Price in Canada has always been our strength in supplying the commercial market with Grilles, Registers, Diffusers, Fans and much more.

Next Meeting: Tuesday November 27th, 2018,
Distinguished Lecturers Series with Chris Mathis

ASHRAE Region 2 Chapters Regional Conference (CRC)

The Windsor Chapter was thrilled to host the ASHRAE Region 2 CRC for 2018!!

The CRC brought in ASHRAE members from all the chapters in Region 2, as well as representatives from the ASHRAE Leadership, including President-Elect Darryl K. Boyce, P.Eng., who delivered the Presidential Address by Sheila J. Hayter, P.E., Fellow ASHRAE, current President of ASHRAE.

The ASHRAE Region 2 is comprised of the following chapters:

Halifax

Hamilton

London

Montreal

New Brunswick-PEI

Ottawa

Quebec

Toronto

Windsor

A huge thank you goes out to all involved in executing a fantastic event, all the sponsors and Caesars Windsor for hosting.

Advertising and Promotion

Actively participating in ASHRAE events is a great way to network and discuss potential projects and applications. Chapter meetings provide a captive audience and exposure to a group actively involved in our industry. Promotion opportunities are available during our chapter meetings, through the monthly newsletter and the new website.

TABLE TOP DISPLAY

What better way to display a new product, existing line, or share great ideas than to have a table top display at our monthly chapter meetings?

The fee to provide a Table Top Display is \$200.00 (CAD). In addition to the presentation, the fee also covers the cost of the presenter's meal at the event. If interested in providing a Table Top Display at a future meeting to promote product lines or technologies, please contact Nathan Cook to schedule.

Nathan Cook – (519) 948-5000

BUSINESS CARD PROMOTION

The monthly newsletter is distributed to all of our ASHRAE Windsor members as well as several others that are involved in our industry. Inclusion of your business card in the newsletter would provide a great opportunity to introduce your name and company to those members who may not know you personally. Business cards may also be displayed on the new website.

The fee to include your business card in the newsletter is \$100.00 (CAD) for the year ending June 30, 2017. If interested in having your business card information included in the monthly newsletter, please contact Nathan Cook.

ASHRAE Conferences

2019 WINTER CONFERENCE AND AHR EXPO

ATLANTA – JANUARY 14TH – 16TH

Looking to plan a winter getaway? ASHRAE has you covered! The world's largest gathering of HVAC&R professionals is taking place this January in Atlanta!! An extensive technical program is available that includes a plethora of seminars, presentations, courses, training and certification opportunities for a variety of disciplines and specializations. In addition to the technical offerings, there are a number of tours and social events to meet fellow ASHRAE members from around the world. What better place to do all of this than the A-T-L!!

The International Air-Conditioning, Heating, Refrigerating Exposition (AHR Expo), which started 87 years ago as a heating and ventilation show, has grown into the event of the year for the HVACR industry. The 2019 Show will be held in Atlanta, hosting more than 2,100 exhibitors and attracting crowds of more than 60,000 industry professionals from every state in America and 165 countries worldwide. The Show provides a unique forum for the entire HVACR industry to come together and share new products, technologies, and ideas. The AHR Expo is co-sponsored by ASHRAE and AHRI, endorsed by many industry leading organizations, and is held concurrently with ASHRAE's Winter Conference.

ASHRAE Chapter Involvement

It is a welcome sight to see Chapter members and non-member guests alike attend the monthly meetings and events. The time and effort put fourth by all individuals to attend these events is greatly appreciated as it not only helps to strengthen and develop our Chapter as a whole, it also expands the knowledge and understanding of our industry.

As it takes time and effort to attend these meetings, it also takes a great deal of time, effort and dedication to organize and prepare for these events so that they are informative and enjoyable for everyone.

It is a goal of the Windsor Chapter to increase the number of participating members. Involvement in Chapter operations is not limited to the Board of Governor and Chapter Committee positions. All individuals interested in getting involved with ASHRAE at any level are encouraged to volunteer in any capacity they are willing and able to. Any efforts to help the Windsor Chapter continue to develop and improve would be greatly appreciated.

If anyone is interested in volunteering for general involvement or to assist with any specific task, please contact Nathan Cook.
